Compact Insta-Calendar for 2013.

Pick a date. Find the month for that date in the column on the right. Next find the date and scan up from that date to the cell with the same color as the month to find the day of the week for that date. Months with 31 days are listed in **bold** and Feb, at 28 days is in *script* font. Example -- August 8, 2013 is a Thursday
